

Optimum Drywall Systems Limited

General Statement of Health and Safety Policy Statement

Optimum Drywall Systems Limited is committed to achieving reasonably practicable standard of health, safety and welfare of our employees, customers, those who work with us, those who have cause to enter our sites and the general public, where our activities may affect them.

The responsibility for achieving the objectives detailed within the Health and Safety Policy are seen as equally important to other objectives of the business. The board of Directors endorse this policy, the Managing Director Simon Britton will have overall responsibility for the Health, Safety and Welfare within the company.

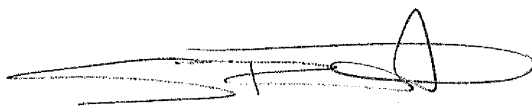

The company shall comply with all current legislation, approved codes of practice, and industry best practice.

So far as reasonably practicable, the company will undertake to:

- Provide and maintain plant and systems of work that are safe and without risks to health
- Arrange for ensuring safety and the absence of risk to health in connection with the use, handling, storage, and transport of articles and substances
- Provide such information, instruction, training, and supervision as is necessary to ensure the health and safety of all persons at work
- Maintain all places of work in a condition that is safe and without risks to health, including the means of access to and egress from such places of work
- Provide and maintain a working environment for persons at work that is safe and without risks to health, with adequate arrangements for the welfare of such persons
- Define the responsibilities for all persons at work
- Identify any hazards, which may exist and bring the attention of such hazards and the precautions necessary to the attention of persons at work
- Record and investigate accident, incidents, and cases of occupational ill-health
- Monitor health and safety performance on a regular basis, through safety inspections
- Findings identified through safety inspection, audits will be remedied without delay
- Provide and maintain appropriate personal protective equipment where, necessary
- And review this statement of health and safety policy as necessary

In this statement, all persons at work include managers, employees, the staff of contractors and sub-contractors, and other persons visiting our sites or office premises.

Signature:

Dated: 22nd December 2007

Mr Simon Britton

Managing Director of Optimum Drywall Systems Limited
